

All The Power You Need

My God can never fail,
He's been proved time and again
Trust Him and see
He's got all the power you need

All The Power You Need

He's never early, never late

It takes courage, it takes faith

Trust Him and see

He's got all the power you need

All The Power You Need

Chorus

He saves forgives and heals

Takes back what the devil steals

My debt's been paid in full

And ev-ry day he does miracles

All The Power You Need

I got dreams, turn them into plans

Too big for human hands

Trust Him and see

He's got all the power you need

All The Power You Need

Bridge:

He's real, He's real

Faith's a lot stronger than what you feel

He's real, He's real

I'm believing for a miracle.

All The Power You Need

I got dreams, turn them into plans

Too big for human hands

Trust Him and see

He's got all the power you need
