

Enough

**And All of You is more than enough
for All of me**

For every thirst and every need

You satisfy me with Your love

And all I have in You is more than enough

Enough

You are my supply

My breathe of life

Still more awesome than I know

You are my reward

Worth Living for

Still more Awesome than I know

Enough

**And All of You is more than enough
for All of me**

For every thirst and every need

You satisfy me with Your love

And all I have in You is more than enough

Enough

**You're the sacrifice
Of greatest price
Still more awesome than I know
You're my
coming King
You are everything**

Enough

**And All of You is more than enough
for All of me**

For every thirst and every need

You satisfy me with Your love

And all I have in You is more than enough

Enough

More than all I want,

More than all I need

You are more than enough for me

More than all I know

More than all I can see

You are more than enough...

Enough

**And All of You is more than enough
for All of me**

For every thirst and every need

You satisfy me with Your love

And all I have in You is more than enough
