O Lord, our Lord, how majestic is Your Name  
in all the earth

O Lord, our Lord, how majestic is Your Name  
in all the earth

# Majestic

The heavens declare Your greatness

The oceans cry out to You

The mountains, they bow down before You

So I'll join with the earth and I'll give my  
praise to You

So I'll join with the earth and I'll sing  
praise to You
