

Wonderful Maker

**You spread out the skies
Over empty space
Said, "Let there be light"
To a dark and formless world
Your light was born**

Wonderful Maker

**You spread out your arms
Over empty hearts
Said, "Let there be light"
To a dark and hopeless world
Your son was born**

Wonderful Maker

**You made the world
and saw that it was good**

**You sent your only Son
For You are good.**

Wonderful Maker

What a wonderful Maker

What a wonderful Savior

How majestic your whispers

And how humble Your love

With a strength like no other

And a heart of a father

How majestic Your whispers

What a wonderful God

Wonderful Maker

**No eye has fully seen
How beautiful the cross
And we have only heard
The faintest whispers
Of how great You are**

Wonderful Maker

**You made the world
and saw that it was good**

**You sent your only Son
For You are good.**

Wonderful Maker

What a wonderful Maker

What a wonderful Savior

How majestic your whispers

And how humble Your love

With a strength like no other

And a heart of a father

How majestic Your whispers

What a wonderful God
